Give Back to the Community

Sarnia, ON, 1B November 2, 2016– Southwest Crematoriums Ltd. (Southwest), in conjunction with local Sarnia-Lambton and surrounding area funeral homes who are Southwest Crematorium affiliated shareholders are pleased to announce a donation of \$10,000 to the Celebration of Lights.

*“We have always been committed to supporting the communities that we serve so, when the need arose we were happy to be able to step-up and support a long-standing community tradition like the Celebration of Lights”, said Southwest Crematorium Board Member and McKenzie & Blundy President, Katherine Scimmi.*

Southwest Crematorium joined in the recent support of the Celebration of Lights following the announcement that the event would be cancelled for the 2016 holiday season. The specific group of local funeral home owners said they have each experienced the wonder of Front Street lit up by the displays and recognize the impact that it has on the community – from family traditions to tourism.

Southwest Crematorium hopes that their donation will provide assistance this year, and in years to come, as the Celebration of Lights sees a revival.
